I was waiting to hear confirmation today from one other in-house ptty b/f I sent out any invite. I know both Matt and I get in at 6a, but that's just us and we'll likely need to connect as a team first ...

PS - I'll also try to coordinate with the team for Tues - but Kathy definitively should be there.

Hey Kevin. Pick anytime b/w 6a and 1:00p (except 8:30-9:30), earlier being the best, for your request - w the caveat that we may need to chg it for the team.

Heads up I'm going to call you to try to talk you out of flying all the way out here - we really will Listen, even if it is by phone . . .

I noted you called me from home earlier, are you working from home? We are also wondering if you have any time Tuesday if we came over to initially meet before the 13th.
